Introduction

Welcome to Corrie Primary and Nursery School. We are so pleased to be welcoming you and your child to our school.

We know that starting school is a wonderful and important milestone for you and your child. We hope that this Welcome Pack provides you with all the information you will need as you prepare for this transition.

Part of this pack includes an 'All About Me' Online Form which you will need to complete and submit to school in preparation of their first day. This form asks for important information about your child including medical needs and GDPR consent.

General Information

Our contact details are:

Corrie Primary and Nursery School

Cemetery Road

Denton

Tameside

M34 6FG

Telephone Number: 0161 336 2242

When calling the school please choose either,

- Option 1 to report a pupil absence
- Option 2 to speak to the junior office
- Or
- Option 3 to speak to the infant office.

Senior Leadership Team

Mr S Griffin & Mrs J Faulkner

Our Vision and Values

Corrie nurtures and encourages all children to realise their personal best and to fulfil their potential in the academic, sporting and performing opportunities provided in and out of school. Our carefully planned climate of celebration of pupil achievement includes a sense of enjoyment that childhood days will be remembered as fun. Our vision is of an environment where our children can develop the life skills necessary to become fully integrated members of society.

Corrie aims to do this by providing a caring and stimulating learning environment where all are welcome, respected and encouraged to achieve the highest standards in both work and play. Through mutual respect and appreciation, we aim to provide enrichment and enjoyment for everyone. By fostering support and loyalty, we offer an environment in which we clearly value the contribution of each individual.

Transition Days

‘Transition’ describes the movement that children experience moving from one familiar setting (including the home) to another. At Corrie we aim to make any transition as seamless as possible for both the children and their families. We want children to experience smooth transitions whenever they may occur, so that individual children’s needs are met and all children feel reassured and secure about the process so that the pace and quality of learning are maintained to ensure they continue to make the very best progress.

Therefore, we would like to invite yourself and your child to visit school during two of our Stay and Play sessions. These will take place over four days and your child will also be able to join us for lunch and sample a School Lunch after one of the play sessions.

This visit will also give you the opportunity to meet your child’s class teacher and support staff. Your child’s class teacher will be able to answer any questions you may have and share further information with you.

On these days, you are also able to return your child’s ‘All About Me’ Booklet to our Admin team and to see our uniform in person in order to get a better idea of sizes.

Our Stay and Play Sessions will be held across a two-week period.

You will be offered one session from **Tuesday 23rd or Wednesday 24th June 2026** to stay and play with your child.

and

a second session from **Tuesday 7th or Wednesday 8th July 2026** which will also include the opportunity to stay for lunch and sample our delicious school meals with your child.

All sessions will start from 10:50am.

We will be in contact soon to organise booking on to these sessions.

Learning in the Early Years Foundation Stage

In the EYFS setting at Corrie Primary School we believe that all children are entitled to the best possible start in their school life, both intellectually and emotionally, in order to enable them to develop their full potential.

We aim to support each child's welfare, learning and developmental needs by:

- Recognising that all children are unique and special.
- Understanding that children develop in individual ways and at varying rates - physically, cognitively, linguistically, socially and emotionally.
- Providing a safe, secure and caring environment where children feel happy and know that they are valued by the practitioners looking after them.
- Fostering and nurturing children's self-confidence and self-esteem through their developing awareness of their own identity and role within the community.
- Teaching them to express and communicate their needs and feelings in appropriate ways.
- Encouraging children's independence and decision-making, supporting them to learn through their mistakes.
- Developing children's understanding of social skills and the values and codes of behaviour required for people to work together harmoniously.
- Supporting children to develop care, respect and appreciation for others, including those with beliefs, cultures and opinions which differ to their own.
- Valuing the importance of play in children's learning and development.
- Providing learning experiences in play which reflect children's personal interests and areas of curiosity in order to encourage and develop their natural desire, interest, excitement and motivation to learn.
- Providing experiences which build on children's existing knowledge and understanding in order to challenge, stimulate and extend their learning and development.
- Providing effective learning opportunities in a range of environments, inside and outside.
- At Corrie we recognise, value and encourage parent's contribution to all aspects of their children's learning and development.

Our Curriculum

The curriculum is centred on **3 prime areas** of learning:

1. Communication and Language.
2. Physical Development
3. Personal, Social and Emotional Development

Practitioners must also provide activities in **four specific areas** of learning which strengthen the prime areas.

These are:

1. Literacy
2. Mathematics
3. Understanding the World
4. Expressive Arts and Design

Take a look at our Curriculum Page on our School Website to see our curriculum overview for the year. This will include the key themes we explore in addition to your child's own interests.

<https://www.corrie.tameside.sch.uk/curriculum-statement/>

Preparing your Child for School

We know that many families are eager to know how to help their child prepare for starting school and we really appreciate your invaluable support in helping them with this transition.

There are lots of things you can do to prepare your child for school including,

- Getting them used to being part of a bigger group, as your child will be one in a class of other young children.
- Encourage their independence in a variety of ways, including, getting themselves dressed, fastening and unfastening zips and buttons, using cutlery to feed themselves, opening and tidying after themselves and following simple instructions – for example, first get your shoes and put them on.
- Developing good routine of going to bed at a reasonable time and getting up on time – remember a 5-year-old needs about 11 hours of sleep!
- Some children may need a little practise toileting independently over the summer before they start school.
- Take a look through our lunch menu in this Welcome Pack and start to introduce some of the food/meals to your child to familiarise them with our school menu.
- Practice their learning from Pre-school or Nursery. For example, singing nursery rhymes, sharing favourite stories, counting to 10, knowing and recognising their own name to find and write it to name a few ideas.
- We often have families who ask us about how to help their child with their speech and language – please take a look at the leaflet from Tameside, NHS and ISCAN on page 10 outlining ways to support your child at home.

Most importantly always talk about the move to school positively, do not let your child see any worries you may have!

Please take a look at our school website for further support.

<https://www.corrie.tameside.sch.uk/our-reception/>

Working at Home with My Child

How can I support my child with Speech and Language activities at home?

- Remove or minimise distractions – turn off the TV/tablet and find somewhere quiet to play.
- Be on the same level as the child, e.g. sitting on the floor with them.
- Maintain eye contact when giving instructions.
- Use the child's name at the beginning of the verbal instruction. This can help them 'tune in' and listen carefully.
- If children are unsure of the answer give them a choice e.g. 'Is the sound the book or the ball?'
- Use simple sentences. Break down two-part instructions into individual instructions, so there isn't too much information all at once.
- Slow down your rate of speech to give your child time to respond.
- Use gestures or objects to support verbal instructions.
- Use rules like 'good looking' and 'good listening' – this will reinforce what happens at school.
- Use specific praise e.g. 'You are listening really well.'
- Ask questions that will need more than a one-word answer e.g. 'Why...', 'Where...', 'When...'.

How else can I support my child at home?

- TALKING and LISTENING as much as you can to your child.
- Repeating phrases back to your child if they use the wrong grammar or incorrect vocabulary.
- Reducing and setting limits for screen time.
- Reading with your child; read to them daily as well as listen to them read. Establish a homework routine after school.
- Go on an environmental print walk.
- Read a story daily. This can be a story your child wants to read over and over.
- Teaching your child songs and nursery rhymes – very important for memory development.
- Completing learning and homework activities together e.g. learning sounds, spellings and maths activities.
- Painting and drawing.
- Visiting your local library & the Central Library, and places of interest.
- Creating regular opportunities to play with friends.

Supporting Language at home.

<https://www.youtube.com/watch?v=gZpOT-SzT28&t=4s>

The School Day

Our school day starts at 8:50am and the bell rings at 9:00am. Children who arrive after 9:00am should sign in at the office to ensure that they are marked present. We have lunch at 12:00 – 1:15pm and we finish for home time at 3:30pm.

Visit our school website to see a snapshot of a typical day in Reception.

<https://www.corrie.tameside.sch.uk/our-reception/>

Breakfast Club

We also have a Breakfast Club which runs every weekday during term time (excluding Inset days) from 8.00 am until 8:50 am. Your child(ren) can be dropped off at any time between these times but breakfast is only served until 8:30 am. Children are taken to class by a member of staff at 8:50 am.

Breakfast consists of either a toasted bagel, toast or cereal and a drink of milk or water. From September 2026 Breakfast Club will be free for all children.

The club is open to children from Reception to Year 6. Once the children have enjoyed breakfast with their friends, they can choose from a number of activities which are offered. These include Just Dance, Lego, Colouring, Construction, Reading, Board Games or if they want to, they can just chat to their friends and members of school staff.

If you would like your child to attend Breakfast Club to support with you with your working day or your needs as a family, please return the attendance form in the Additional Forms Pack within this Welcome Pack.

Attendance & Punctuality

Our school doors are opened at 8.50am each morning. The doors then close at 9.00am and the register will be taken. Any child not present for the morning register will be marked as absent. The register is kept open until 9.30. If your child arrives between 9.00am and 9.30 am they will be given a late mark. If your child arrives after 9.30 they will be given a U code which means it is an unauthorised absence for the morning session.

Unplanned Absence

Parents/carers must notify the school on the first day of an unplanned absence – for example, if their child is unable to attend due to ill health – by 9.00am or as soon as practically possible. You will then be asked for an expected date of return. Parents/carers can also leave a message on our school answer machine if you are unable to get through to our office staff. You can also send a message via parent mail. Absence due to illness will be authorised unless the school has a genuine concern about the authenticity of the illness. For further guidance please see our Attendance Policy on our website -

<https://www.corrie.tameside.sch.uk/wp-content/uploads/2021/03/Attendance-Policy.pdf>

Medical or Dental Appointments

Missing registration for a medical or dental appointment is counted as an authorised absence; advance notice is required for authorising these absences. However, we encourage parents to make medical and dental appointments out of school hours where possible. Where this is not possible and once you receive a medical appointment bring the letter or card into school. We will make a photocopy of it and keep it on our records. Applications for other types of absence in term time must also be made in advance. Information relating to whether the school can authorise such absences can be found in our Attendance Policy.

Lateness and Punctuality

A pupil who arrives late after the doors close at 9:00am but before the register closes at 9:30am will be marked as late, a pupil who arrives after the register has closed will be marked as absent. If your child has 4 lates or more within a half term period, you will be invited into school for a meeting with our Learning Mentor, Mrs Higginbotham, to see if there is any support we can offer to ensure that your child is in school on time every day.

Illness & Medicines

We can administer medicine at school for long term conditions such as asthma, or if your child has a prescribed medicine following an illness. Ideally medicine should be given at home before the start and after the end of the school day, if possible.

If your child needs medication to be administered during school hours (prescribed by a doctor for 4 times a day), then please bring your medication to the school's main office. The medicine must be in the original prescription bottle/packaging and must have the prescribed label with your child's name and dosage. We will ask you to complete a form to provide information on when the next dose is due.

If your child is unwell and unable to attend the school, please phone the school office before 8.45 am and let us know why they are absent. If they have sickness and/or diarrhoea they must stay off school for 24 hours after the last bout. If you are unsure about whether your child can attend school, please ask the school office for advice.

Accidents & Injuries

We have several members of staff that are first aid trained, and a qualified first aider always goes on any out of school learning. They deal with bumps, bruises and/or injuries. In making this decision, we consider the physical condition of the child as well as their emotional well-being. These decisions can be hard to make, we act in 'loco parentis' and with the well-being of your child as the most important factor. If your child is too unwell to stay in school or has had an accident, parents/carers or other emergency contacts will be phoned and asked to collect them. It is therefore essential that you keep us informed of current contact numbers. An accident slip will be sent home with your child if he/she has received first aid treatment or has had a bump to their head.

School Uniform

Your child will need a:

- Maroon sweatshirt, cardigan or fleece
- Grey or black skirt/dress/trousers/shorts
 - Grey or black tights or leggings
 - White polo shirts or shirts
 - A red & white gingham dress
 - Black shoes or black trainers
- Hair accessories must be minimal (simple hair band)
 - School Bag
 - Water Bottle

For further guidance on uniform please read our Uniform Policy on our website

<https://www.corrie.tameside.sch.uk/wp-content/uploads/2019/03/EYFS-Policy-1.pdf>

Please name all items of clothing and check regularly that names have not come out of clothing so that mislaid items can be returned easily. The children will go outside so it is important that they are dressed for the weather. This includes a suitable coat, hats and gloves in the winter; and a sun hat in the summer.

You will be able to purchase either one sweatshirt or cardigan at your Transition visits and then all other items of school uniform are available to be ordered and purchased through our Main Reception, or through your Parent Pay account (See the Additional Information section of the Welcome Pack for more details about how to set this up).

See our current uniform pricelist on the next page and the School Uniform Order Sheet in your 'About Me Booklet'.

Uniform Price List – April 2026

Item	Size	Price
Sweatshirt	24" – 34"	£9.95
Sweatshirt	XS & S	£12.60

Slim Nylon Book Bag		£4.70
Expandable Book Bag with Strap		£7.20
Tie - Elastic		£3.00
Tie - Self-Tie		£3.30
Water Bottle		£1.25

Physical Education

In addition to outdoor provision in our setting and the activities delivered by the middays during lunch time, the children participate in 2 hours of physical education a week. Throughout the year, some of this time may be led by our Kickstarts Sports Coaches. However, the Reception children will not need to change into a PE kit to participate in this learning. Children will need a PE Kit from Year 1. Should your child need to change clothing for Health and Safety reasons, we will provide clean, alternative clothing for these activities.

School Lunch, Milk and Snack

All children in infants are entitled to a free school meal under the Government's Universal Infant Free School Meal scheme. Each day, every child in reception is also offered a cup of semi-skimmed milk and a healthy snack – this is a piece of fruit or raw vegetable.

Our school meals are provided by Taylor Shaw who provide a choice of hot and cold meals options. The menus change every term, but include a 3-week rotation of choices. Should your child require any further dietary options based on their allergies for example, then please contact the school office for further guidance.

You are able to pay for your child's lunches and submit your child's menu choices through our online system called Parent Pay. Further information about Parent Pay is on page 19 of this Welcome Pack.

Take a look at the current menus for this Autumn and Winter.

 AUTUMN/WINTER WEEK ONE Corrie Primary School					
	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
Main Course 1	Traditional Sausage & Mash	Winter Chicken Casserole with Boiled Potatoes	Roast Chicken with all the Trimmings	British Savoury Beef & Onion Pie with Mash	Fish Fingers and Chips with Tomato Ketchup

Available Daily

Fresh Bread, Salad Selection,
Fresh Fruit and Yoghurts

Should you and your child prefer to bring a packed lunch to school this is also an option. We are a Healthy School and therefore strongly recommend that they have a healthy packed lunch.

A typical child's healthy lunch would have:

- 1 Sandwich / Rice bowl / Pasta bowl
- 1 piece of fruit
- 1 item of vegetables e.g. cucumber / carrot sticks
- 1 yoghurt tube
- 1 savoury snack e.g. bag of crisps, Pepperami stick or cheese portion
- 1 treat e.g. small cake, small KitKat or something similar

Midday staff will encourage children to eat their sandwich, fruit, vegetables, yogurt and then any savoury snack or treat

You can find more lunch ideas on <https://www.nhs.uk/change4life>

If at any point through the year, your child would like to switch to or from School Lunches, then please contact the School Office to give them notice of this change.

We ask that you support us in keeping your children safe by following the Safer Eating Guidance by preparing your child's food as stated in the recommendations set out by the Food Standards Agency;

[Early Years Choking Hazards Advice Poster - Food Standards Agency](#)

[Early Years Food Choking Hazards Guidance - Food Standards Agency](#)

Communication with our Parents

We will greet you and your child at the class room door every day.

You will also receive information through:

Parent Mail

School Website: www.corrie.tameside.sch.uk

School Facebook: www.facebook.com/Corrie-Primary-and-Nursery-School-779212338799436

School Twitter: @CorriePrimary

School Instagram: CorriePrimary

Parent Mail

ParentMail is the online communication software we use to share all letters and messages with you electronically. All letters will come directly to your email, which is more efficient and eco-friendly. Where necessary, paper copies of letters will still be sent home.

Please make sure that you include your email address in the data collection section of the All About Me Booklet so that our admin team can get you setup on Parent Mail during the first week of September.

Parent Pay

Parent Pay is our online payment system. We accept payments online for dinner money, school trips, uniform and other purchasable items. By using the secure website called ParentPay you will be able to pay online using your credit / debit card or continue to make cash payments at PayPoint stores. ParentPay will be our only method of making payments to school.

What are the benefits to parents & pupils?

- ParentPay is easy-to-use and will offer you the freedom to make online payments whenever and wherever you like, 24/7
- The technology used is of the highest internet security available ensuring that your money will reach school safely – offering you peace of mind
- Payments can be made by credit/debit card or also through PayPoint
- Full payment histories, balance alerts and statements are available to you securely online at anytime

What are the benefits to our school?

- You can help us reduce workloads for all staff as no more counting cash, chasing debt and stop cash collection services
- Creates more time to lend to educational support and the smooth running of the school
- Improves school security
- Using ParentPay also ensures that all financial transactions are safe and secure – helping us to remove costs associated with us having to manage cash securely on the school premises
- The more parents that use ParentPay, the greater the benefit is to our school.

How to get started with ParentPay?

We will send you your account activation details during the first week in September. Once you receive these:

- Visit www.parentpay.com
- Enter your Activation username and password in the Account Login section of the homepage

NB. These are for one-time use only, please choose your own username and password for future access during the activation process

- Provide all the necessary information and choose your new username and password for your account – registering your email address will enable us to send you receipts and reminders
- Once activation is complete you can go straight to Items for payment, select which item(s) you want to add to your basket and proceed to complete your payment

Please click the link below to see more about ParentPay

	School will return Thursday 2nd September 2027	

Year Planner 2026 – 2027

Please see our website, this will be updated throughout the year.

<https://www.corrie.tameside.sch.uk/term-dates-and-annual-planner/>

Next Steps – September 2026

Here is a checklist to help you to be prepared for September:

Complete & Return:

- ☐ All About Me Online Form
- ☐ Confirm your attendance and meal choices for the Transition Days

Following the 1st week in September, Register of the following systems:

- ☐ ParentMail (Communication)
- ☐ ParentPay (Online Order/Payment)
- ☐ Select your child's meals on ParentPay

First day at school

- Arrive on time – there will be staff helping to guide you to your child's classroom.
- Leave promptly – don't worry if there are a few tears – this is perfectly normal.
- Your child will settle quickly and make lots of friends.

If you have any concerns about your child being ready to start school or any queries about Reception, please contact us on:

- Admin Team Email - admin@corrie.tameside.sch.uk
- Your child's Class Teacher Email - reception@corrie.tameside.sch.uk
- Telephone – 0161 336 2242

Our school website has a lot of information; please have a look as we have created a page for our new starters in September:

<https://www.corrie.tameside.sch.uk/our-reception/>

We look forward to seeing you in September 2026!
